For Apple users:

Once opened in the browser click "Menu"

And find "Add to Home Screen" Option

18:35

Cancel Add to Home Screen Add

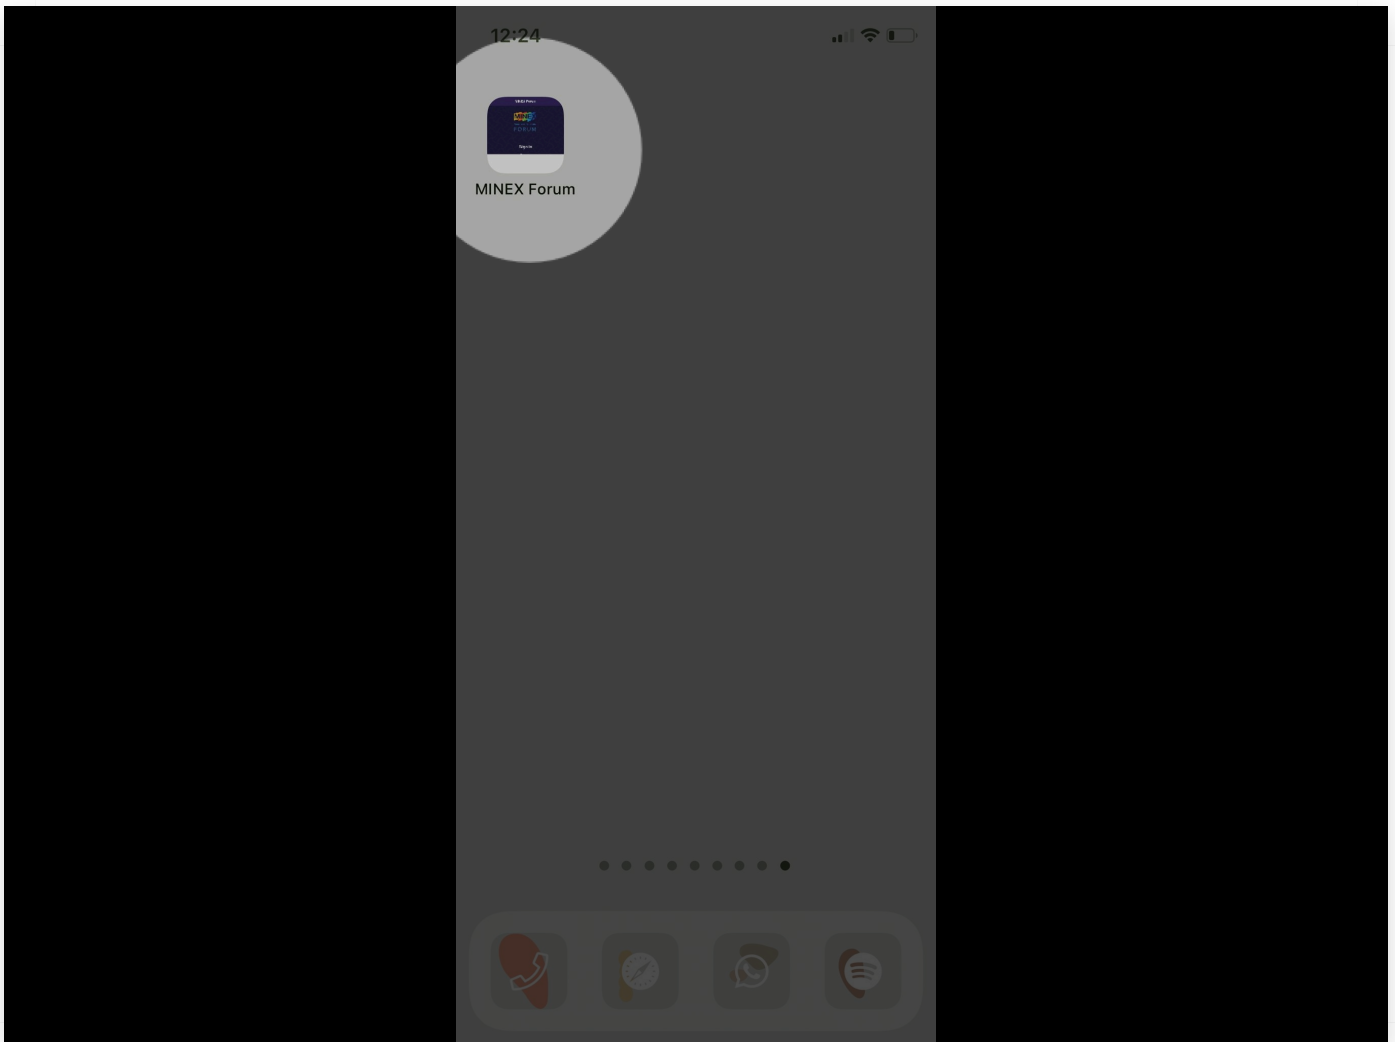

MINEX Forum

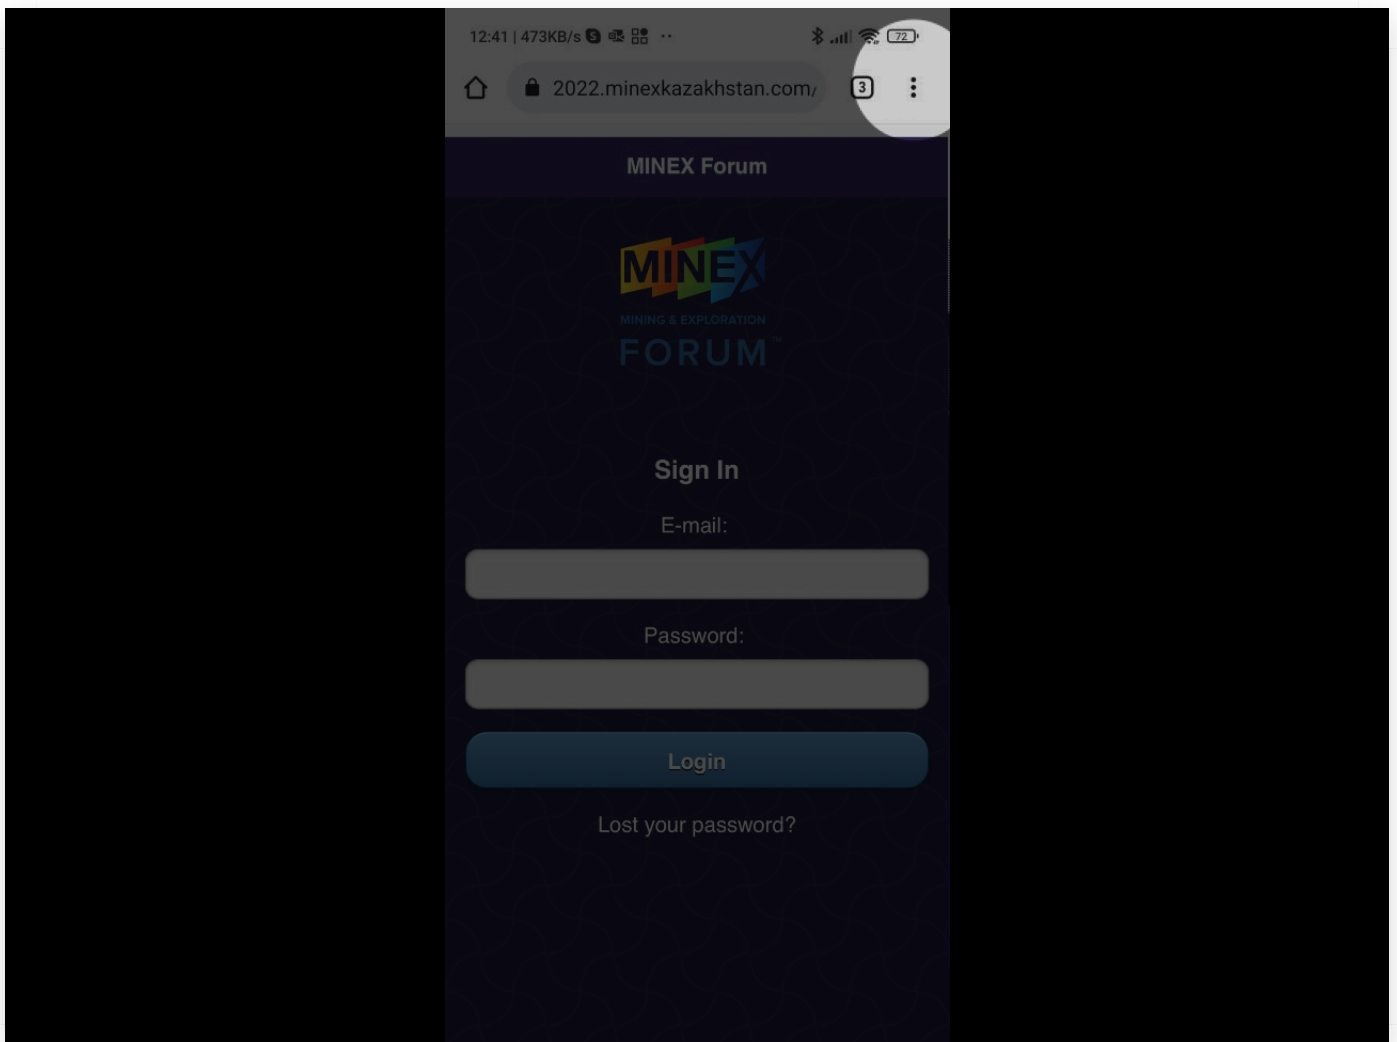

<https://2022.minexeurope...>

An icon will be added to your Home Screen so you can quickly access this website.

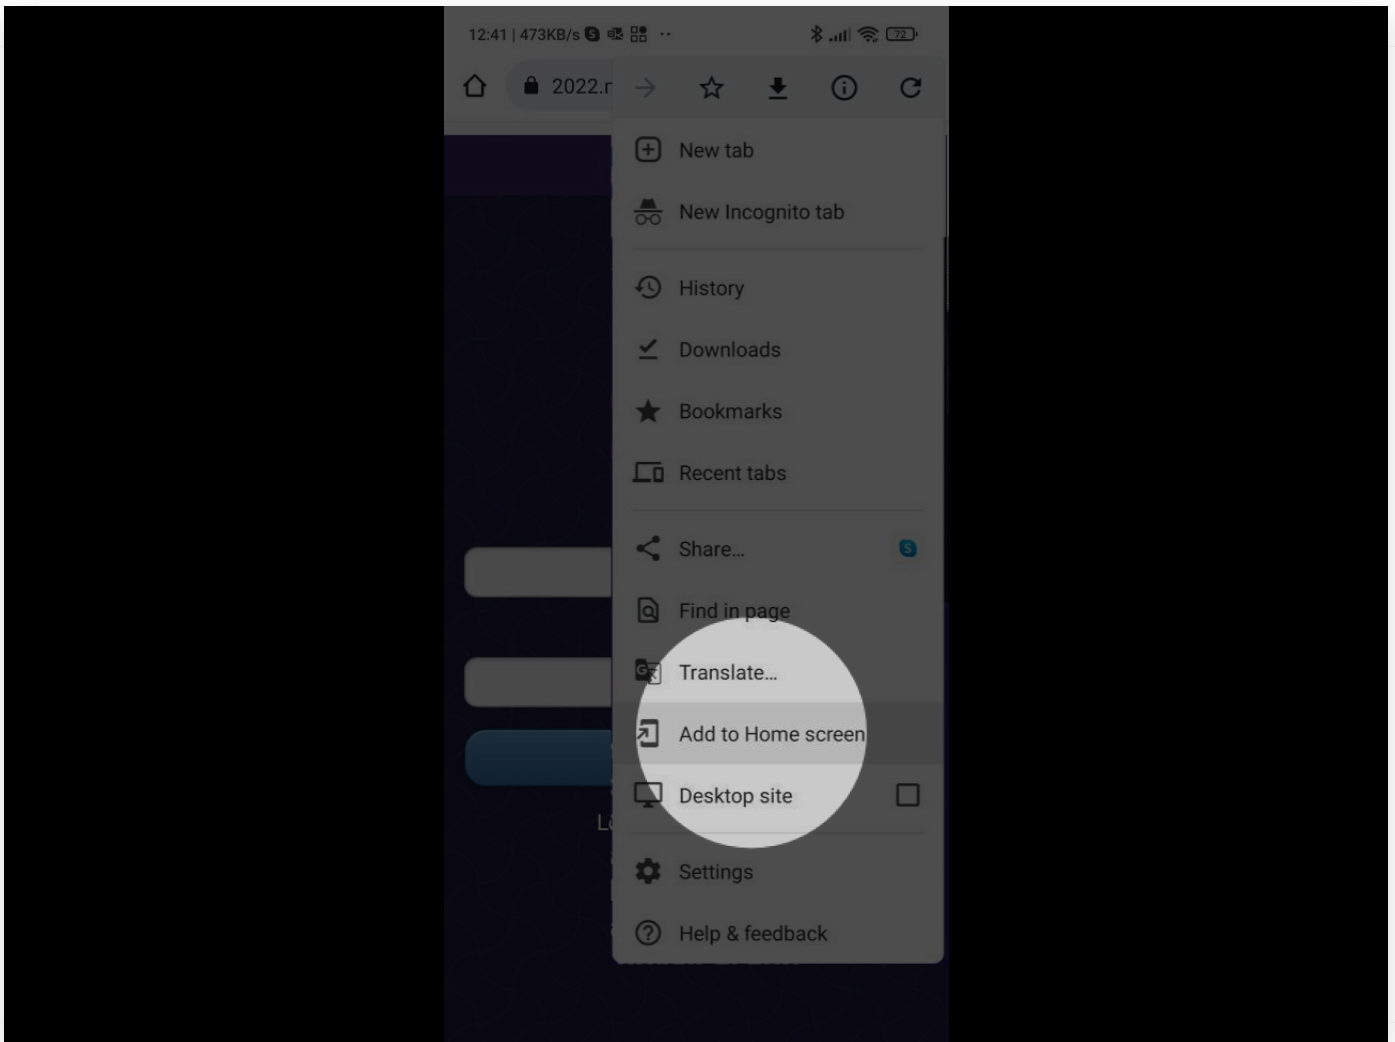

Click "Add"

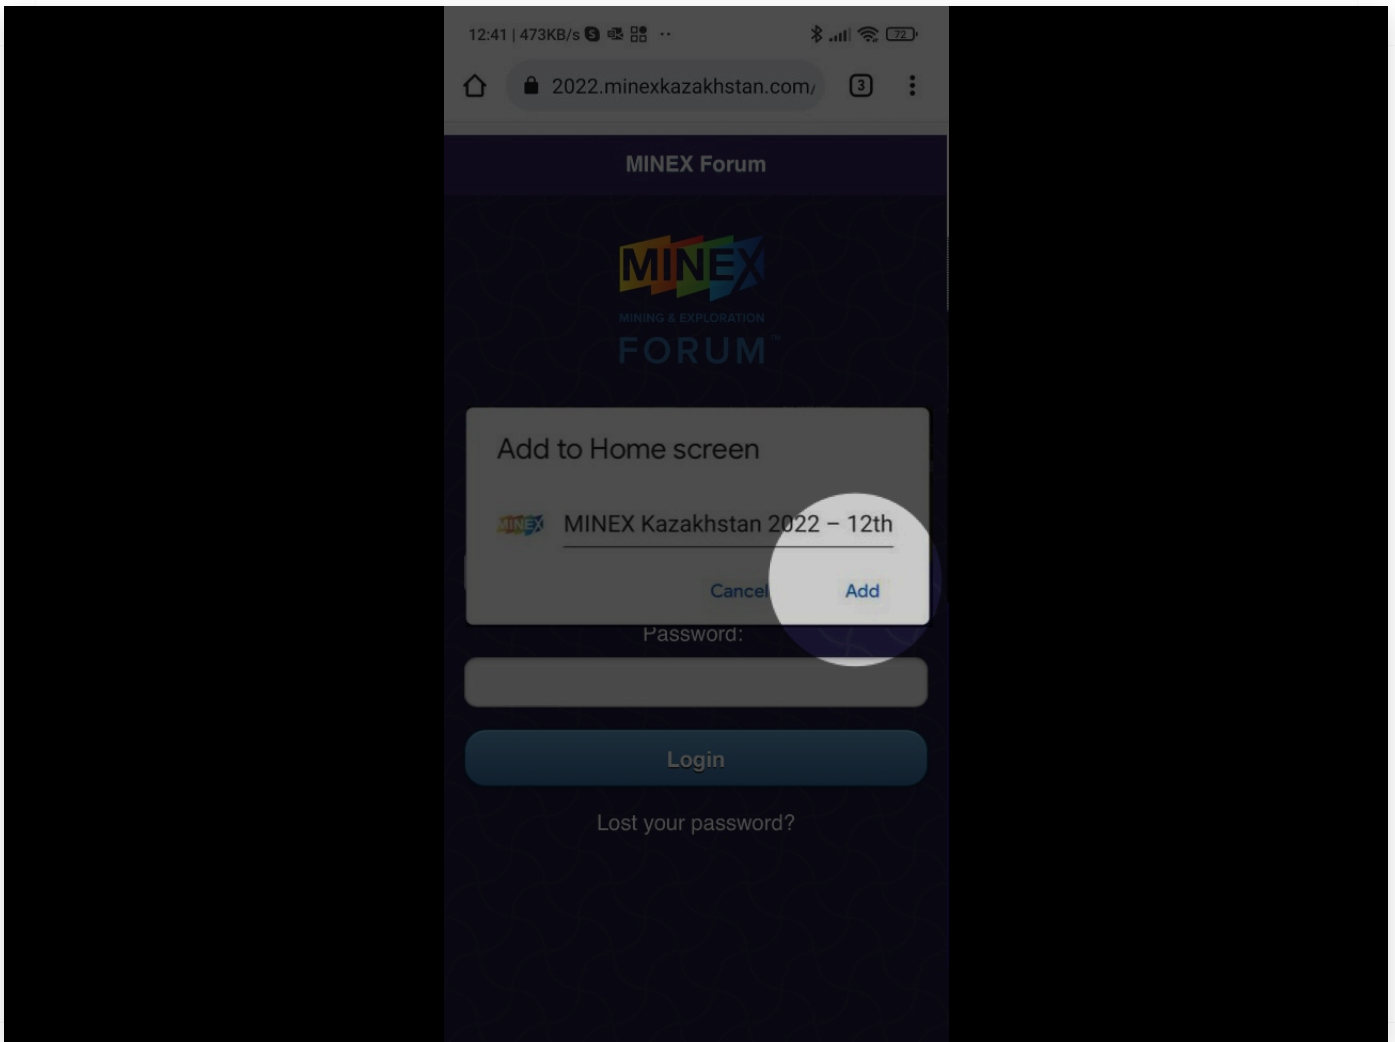

You can then access the platform from your home screen.

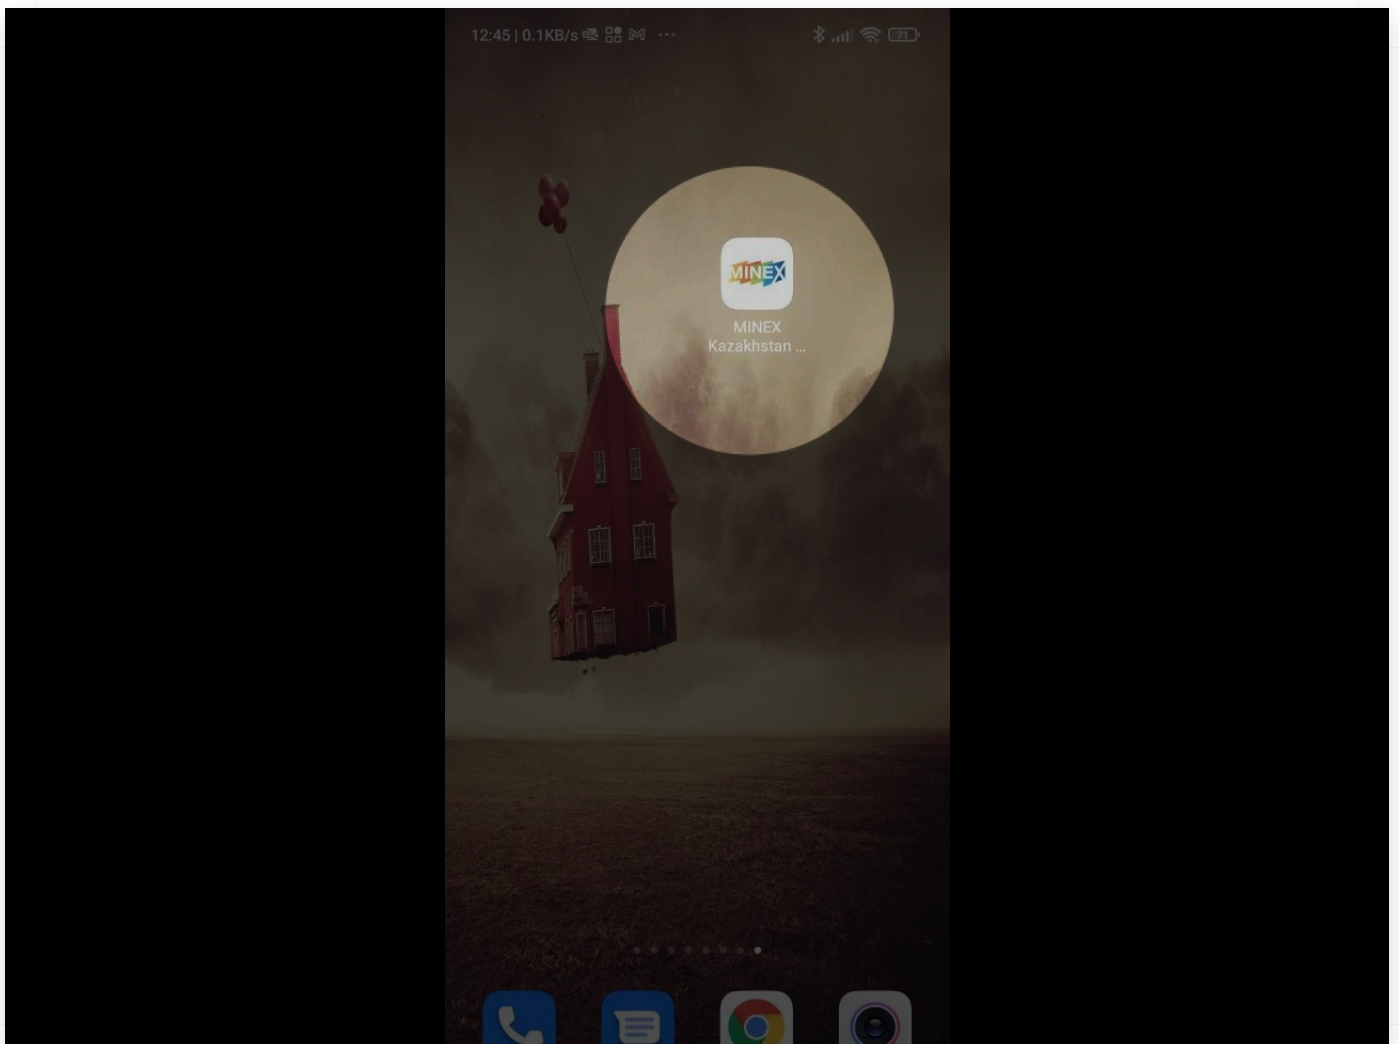

For Android users: once you opened the link in the browser - click "Menu"

Click "Add to Home screen"

And click "add"

You will then find the shortcut on your home screen.
